TAPES PRODUCT GUIDE

Strong and reliable solutions for sealing, packing, and bonding

ABOUT TAPES

Tapes are essential packaging and utility products designed to provide strong adhesion for sealing, packing, and bonding applications. Available in multiple types, they offer reliable performance for both commercial and everyday use, ensuring convenience, durability, and efficiency.

• AVAILABLE TAPES

Our tape range includes various types designed for packaging, sealing, and bonding needs. Adhesive tape is ideal for general use, double-sided tape offers strong bonding, masking tape is perfect for painting and temporary protection, and tan tape is durable for carton sealing and packaging.
