# WHITE TUB PRODUCT GUIDE

Clean, durable, and hygienic storage solutions for  
food and household use

# ABOUT WHITE TUB

White tubs are durable and practical containers designed for storing, packaging, and organizing various items safely and hygienically. Made from strong food-grade plastic material, they provide excellent durability, leak resistance, and convenient handling for both household and commercial environments. Their clean appearance and reusable design make them suitable for a wide range of food storage and packaging applications.
