

NO 1 INDUSTRIAL BLACK POLYTHENE GUIDE

Durable and reliable solutions for packaging and
protection

ABOUT BLACK POLYTHENE

Black polythene is a versatile and durable packaging material widely used for covering, wrapping, and protecting products in industrial and commercial applications. It provides excellent strength, flexibility, and resistance to external conditions, making it a reliable solution for everyday packaging needs.

• DESIGNED FOR STRONG & DURABLE PACKAGING

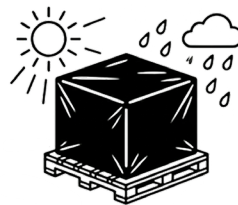

A dependable packaging solution that combines strength, protection, and flexibility.

Strong &
tear-resistant

Flexible and
easy to use

Suitable for
outdoor use

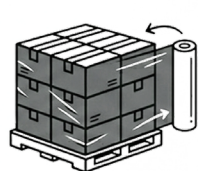

Reliable
protection

APPLICATIONS

Suitable for a wide range of industrial and commercial applications, providing strength, durability, and reliable protection.

• USAGE LIST

Industrial Packaging

Material Covering

Waste Management

Agriculture Use

Outdoor Protection

• AVAILABLE SIZES

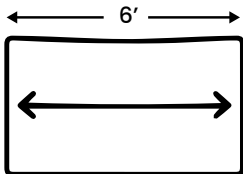

Available sizes are measured based on the width of the polythene when laid flat. When the polythene is opened or split, the total width becomes double the stated size.

Small Sizes		Medium Sizes		Large Sizes	
INCHES	FEET	INCHES	FEET	INCHES	FEET
24"	2'	48"	4'	72"	6'
36"	3'	60"	5'		

For example, a 2-foot polythene will expand to approximately 4 feet when opened

Cut to Expand

Expands to Double Width

KEY FEATURES

Our black polythene is designed to deliver strength, flexibility, and reliable protection for various applications. With its durable material and versatile usage, it ensures secure covering and long-lasting performance in demanding environments.

• FEATURE POINTS

- **Strong & Tear-Resistant**

Provides durability for heavy-duty use

- **Weather-Resistant Protection**

Suitable for outdoor and industrial use

- **Flexible & Easy to Handle**

Can be used for various packaging and covering needs

- **Reliable Performance**

Ensures long-lasting and secure protection

• PRODUCT SPECIFICATIONS

- **Material:** High-Density Polyethylene (HDPE) / Low-Density Polyethylene (LDPE)
- **Durability:** Strong and flexible
- **Protection:** Moisture, dust & external conditions
- **Usage:** Industrial and commercial applications
- **Appearance:** Opaque black

THANK YOU

Thank you for choosing Senasuma Polythene. We are committed to providing high-quality and reliable packaging solutions that meet your industrial and commercial needs with strength and efficiency.
