

STRETCH FILM PRODUCT GUIDE

High-quality wrapping for secure load stability and protection.

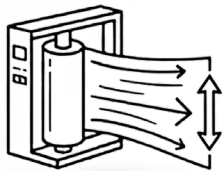

ABOUT STRETCH FILM

Stretch film is a durable and flexible wrapping solution used to stabilize and protect goods during storage and transit. Its stretchable nature and moisture resistance make it ideal for industrial and commercial packaging needs.

• CORE ADVANTAGES

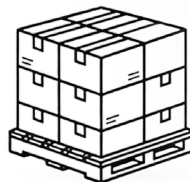

Our stretch film provides a durable, flexible solution to stabilize and protect your goods. Ideal for industrial needs, it ensures maximum safety and moisture resistance during transit.

logistics

• STANDARD PRODUCT SIZE

Choose the right Stretch film solution based on your packaging requirements.

- Roll Width: 20 Inches (Standard Industrial)
- Net Weight: 2.0 kg (Per Roll)

• AVAILABLE OPTIONS

- Individual Rolls: For small-scale wrapping needs.
- Bulk Cartons: 6-roll packs for industrial use.
- Hand Wrap Grade: Specifically designed for easy manual application.

KEY FEATURES

Our high-performance stretch film is engineered from premium LLDPE to provide maximum durability and flexibility. It ensures superior load stability for pallets and boxes while acting as a reliable barrier against moisture and dust, keeping your shipments safe and professionally presented throughout transit

• FEATURE POINTS

- **Superior Load Stability**
Keeps heavy loads stable during transit.
- **Moisture & Dust Protection**
Protects goods from dust and moisture.
- **Clear & Professional Finish**
Transparent material for easy barcode scanning.
- **High Stretchability & Recovery**
Tightly wraps without snapping or breaking.
- **Exceptional Tear Resistance**
Resists tearing on sharp product corners.

• PRODUCT SPECIFICATIONS

- **Material:** Linear Low-Density Polyethylene (LLDPE)
- **Transparency:** Typically clear
- **Durability:** Durable and flexible
- **Application:** Manual or machine wrapping for pallets and boxes

THANK YOU

Thank you for choosing Senasuma Polythene. We are committed to delivering high-quality stretch film solutions that ensure maximum protection, load stability, and professional presentation for your goods.
